	AMENDED DATE:	DELETION DATE:

FAMILY AND MEDICAL LEAVE

The Educational Institutions of the Diocese voluntarily choose to adopt the following policy in accordance with the Family and Medical Leave Act of 1993. The policy allows for an unpaid leave of absence of up to 12 weeks during a twelve month period for personal illness, for the birth or adoption of a child, or for the care of a seriously ill child, spouse or parent.

Definitions

An “eligible employee” is defined as an employee who has completed at least one year of employment and has worked over 1250 hours in the past year. Eligible employees include part-time employees, employees who do not qualify for sick leave, short term disability benefits or vacation benefits, but who have been employed for at least one year and in the previous twelve months have worked more than 1250 hours for the school.

For the purposes of this policy, a “child” is defined as a biological child, adopted child, foster child or legal ward. To be eligible to take leave for care of a sick child, an eligible employee must be responsible for the day to day care of that child.

For the purpose of this policy, a “serious health condition: is one requiring in-patient care of continuing treatment by a health-care provider. For example, serious health conditions include, but are not limited to, heart attacks and heart conditions requiring surgery, most cancers, back conditions requiring extensive therapy or surgery, strokes, severe respiratory conditions, spinal injuries, appendicitis, pneumonia, emphysema, severe arthritis, severe nervous disorders, injuries caused by serious accidents, pregnancy and related complications or illnesses and childbirth.

For the purpose of this policy, “immediate family member” is defined as an eligible employee’s spouse, child or parent.

For the purpose of this policy, “12 month period” shall mean the 12 months immediately following the first day upon which an employee takes family or medical leave under this policy.

Medical Leave

An eligible employee may take up to 12 weeks of unpaid, medical leave during a 12-month period because of a serious health condition. Before taking medical leave under this policy, an eligible employee must first use other accumulated paid leave time.

All paid time off taken will be included in the 12 week leave time available under this policy.

All employees requesting a medical leave because of their own serious health condition must provide an initial certification by a physician. The certification must include:

- a. the date in which the condition began;
- b. probable duration;
- c. appropriate medical facts concerning the condition;
- d. a statement that the employee is unable to perform his or her job functions; and
- e. in the case of intermittent leave, the dates and duration of the treatments to be given.

The school/center may require a second opinion at its own expense. If the initial and second opinions conflict, and the eligible employee persists in his or her request for leave, the school/center will pay for a third and final medical opinion. Failure to provide proper certification may result in immediate loss of leave privileges available under this policy.

Family Leave

An eligible employee may take up to 12 weeks of family leave to care for an immediate family member if that family member has a serious health condition which includes conditions that affect an immediate family member so that he or she is unable to participate in his or her regular daily living activities.

Before taking family leave to care for an immediate family member, an eligible employee must provide medical certification by a physician. The certification must include:

- a. the date on which the condition began;
- b. probable duration;
- c. appropriate medical facts regarding the condition;
- d. a statement that the eligible employee is needed to care for the child, spouse or parent; and
- e. in the case of intermittent leave, the dates and duration of the treatments to be given.

The school/center may require a second opinion at its own expense. If the initial and second opinions conflict and the eligible employee persists in his or her request for leave, the school/center will pay for a third and final medical opinion. Failure to provide proper certification may result in immediate loss of leave privileges available under this policy.

Leave for Birth or Placement of a Child

An eligible employee may take up to 12 weeks of maternity leave during any 12 month period for the birth of a child or because of placement of a child with that employee for adoption or foster care.

Like personal medical leave and leave granted to care for an immediate family member, the eligible employee must first take all earned paid leave time before taking unpaid maternity leave time. All employees taking maternity leave must first use other accumulated paid leave time.

The remaining portion of the 12 week period will be considered unpaid family leave.

An eligible employee may not take intermittent leave or leave on a reduced schedule for the birth or placement of a child unless prior approval is received from the school/center.

Notice and Recertification

When leave is taken because of the birth of a child, adoption, or foster care, an eligible employee must request the leave at least 30 days in advance. Failure to provide adequate notice may result in an immediate loss of all leave privileges.

When leave is taken because of an eligible employee's illness or the illness of a family member, the leave may be taken on an intermittent basis or with a reduction of hours, if medically necessary. Where intermittent leave is granted, an eligible employee may be reassigned to another job which will accommodate the requested leave.

If the family/medical leave is foreseeable based upon planned medical treatment, the eligible employee must give at least 30 days notice, and he or she must make every effort to schedule the treatment so as not to unduly disrupt school/center operations.

For both personal and medical leave granted to care for family members, the school/center may require recertification on a monthly basis. Failure to provide recertification may result in revocation of an eligible employee's leave privileges.

POLICY DESCRIPTION: Personnel: Jury Duty	ISSUE DATE: 08/15/92	SERIES: 4208
	AMENDED DATE: 05/08/99	DELETION DATE:

The Diocese of Jackson encourages employees to fulfill their civic responsibilities by serving jury duty when required. If a full-time professional employee is required to serve as a juror, the school/center will pay the difference between jury duty pay and the regular per diem pay for any scheduled work time missed during the first two weeks of jury duty. To be reimbursed, the employee must present the Jury Duty Notice within three days of receipt of such notice and must present a court voucher and proof of actual duty service.

An employee must show the jury duty summons to the administrator as soon as possible so that arrangements can be made to accommodate his/her absence. Employees are expected to report for work whenever the court schedule permits.

Either the school/center or the employee may request an excuse from jury duty if, in the judgment of the school/center, the employee's absence would create serious operational difficulties.

The school/center will continue to provide health insurance benefits for a maximum period of thirty calendar days after any unpaid jury duty leave begins. At that time, the employee will become responsible for the full costs of these benefits if he/she wishes coverage to continue.

When the employee returns from jury duty, benefits will again be provided by the school/center according to terms of the applicable benefit plan.

Vacation, sick leave, and holiday benefits will continue to accrue during jury duty leave.

DIOCESAN REGULATION: 4304R(b)

DESCRIPTION:

Personnel: Drug/Alcohol Free Environment

Rationale

- (a) To maintain a safe, healthy environment for all students and employees;
- (b) To provide the highest quality education for our students by ensuring that no employees are users of illegal drugs or under the influence of drugs, chemicals or alcohol;
- (c) To reduce the number of accidental injuries to person or property;
- (d) To prevent injury to those who drive vehicles on campus;
- (e) To reduce absenteeism and tardiness;

The use, possession, transportation, or sale of illegal or non-prescribed drugs, chemicals, and/or alcohol is prohibited on school/parish property or at functions sponsored by the school/center with exception to the legal consumption of alcohol during specifically designated adult school/center functions. It is also a violation to be under the influence of illegal or non-prescribed drugs, chemicals, and/or alcohol. This policy applies to all employees on school/center property or while off property attending school/center sponsored functions, or while operating school/center vehicles.

The school/center may require that an employee submit to a drug, chemical or alcohol test if it reasonably suspects that he/she is under the influence of drugs, chemicals or alcohol while on the school/center premises or while off property attending school sponsored functions, or while operating school vehicles. For procedures regarding reasonable suspicion testing see regulation 5607R (b) for Educational Institutions of the Diocese of Jackson.

Follow-up testing may likewise be required by the school/center. For procedures regarding follow-up testing see 5607R(c) in the Diocesan Policy Manual.

If an employee tests positive under the aforementioned testing procedures, or otherwise admits to drug/alcohol abuse problems, the employee, before returning to work, must present satisfactory written proof of participation in and/or completion of a certified substance abuse assistance program.

Failure to comply with a drug, chemical and/or alcohol test or otherwise cooperate with an investigation into possible violations of this policy or refusal to participate in an abuse assistance program (as noted above) may subject the employee to immediate termination.

The school/center will require the same written proof of participation and completion of a certified substance abuse program as noted above.

Any employee, who is convicted of or pleads guilty or no contest to any drug or alcohol related crime, must inform the administrator no later than five (5) days after such conviction or plea.

POLICY DESCRIPTION: Personnel: Settlement of Disputes/ Grievances	ISSUE DATE: 08/15/92	SERIES: 4601
	AMENDED DATE: 01/05/01	DELETION DATE:

The Diocese of Jackson is committed, within its given resources, to provide the best possible working conditions for its employees. Part of this commitment is to encourage an open and frank atmosphere in which any problem, complaint, dispute or grievance can be processed as quickly as possible.

To fulfill this commitment, the Office of Catholic Schools provides guidelines which reflect the goals of this policy. The purpose of the following procedure is to secure, at the lowest level, equitable solutions to disputes which may occasionally arise in areas connected to the management of schools/centers.

DIOCESAN REGULATION: 4601R
DESCRIPTION:
Personnel: Procedure for Dispute Resolution Guidelines Including Discrimination Complaints
<p>The Diocese appoints the Superintendent of Schools of the Catholic Diocese of Jackson (237 East Amite Street, Jackson, MS, 39201, (601) 969-2742) as the employee charged with coordinating the dispute resolution process. The Superintendent may delegate this responsibility to others on a case-by-case basis or appoint a Grievance Committee to aid in the processing of the grievance.</p> <p>The following dispute resolution procedures shall provide a process for filing, processing and resolving any employee disputes or grievances. Adverse employment action such as suspension, non-renewal or dismissal are not the subject of this procedure (see Policy #4501).</p> <p>Further, employees are granted equal opportunity and protected by both federal and state law from discrimination on the basis of race, color, national origin, disability or sex. Employees are also protected against sexual discrimination, including sexual harassment. (See Policy #4603) In summary, it is the policy of the Diocese to comply with all laws prohibiting discrimination on the basis of race, color, national origin, disability or sex.</p> <p>I. DEFINITIONS</p> <p>A. Grievance: 1) a claim that there has been a violation, misinterpretation, or misapplication of any provision of the employment agreement or of any employee rule, order or regulation with the exception of suspension, non-renewal or dismissal appeals (see Policy #4501); 2) a complaint by any employee which alleges that any Diocesan or school/center policy, procedure or practice discriminates on the basis of race, color, national origin, disability or sex including sexual harassment; 3) a complaint that any employee or student has subjected another to such discrimination.</p> <p>B. Grievant: any employee who submits a grievance.</p>

DIOCESAN REGULATION: 4601R (continued)

DESCRIPTION:

Personnel: Procedures for Dispute Resolution Guidelines Including Discrimination Complaints

C. **Respondent:** the person alleged to be responsible for the violation alleged on a grievance; the term may be used to designate persons with responsibility for a particular action or persons with supervisory responsibility for procedures and policies in those areas covered in the grievance.

D. **Day:** a working day not including holidays and/or weekends.

II. GENERAL PROCEDURES

A. Since this dispute resolution procedure is administrative in nature, no attorneys or legal representatives shall be allowed to participate in an active manner.

B. It is important that grievances be filed and processed as rapidly as possible. The time periods set forth in Section III for the responses and decisions to be communicated to the Grievant or Respondent should be considered goals with each situation taken on a case-by-case basis. At any level in the grievance procedure the time limits may be extended when necessary.

C. If during any step there is a reasonable basis to believe that an employee has engaged in any sexual misconduct or involvement with any student under the age of 18 in violation of "Protection of Children – Catholic Diocese of Jackson", the administrator should follow procedures designated by Diocesan policy and Mississippi law. Referral to "Protection of Children – Catholic Diocese of Jackson" shall terminate the original grievance process initiated under this procedure. The Superintendent should be informed of such action as well.

D. Facts elicited during the grievance procedure are confidential. A copy of documents, communications and records dealing with the processing of a grievance will be filed in a separate file in the Superintendent's office.

E. Facts elicited during the grievance procedure that result in adverse disciplinary action against an employee become part of that employee's personnel file.

F. The failure of Grievant or Respondent to proceed from one level to the next within the set time limits, without being granted an extension of time shall be deemed to be an acceptance of the decision previously rendered and shall eliminate any future review concerning that particular grievance.

G. The failure of the reviewing parties to communicate their decision to Grievant or Respondent within the time limits shall permit Grievant or Respondent to proceed to the next level of appeal.

H. Grievant may withdraw his/her grievance at any step without reprisal. However, a grievant shall not be permitted to resubmit the same grievance once withdrawn.

I. There shall be no retaliation against a grievant for filing a grievance or against any person for participation in any way in the grievance process.

POLICY DESCRIPTION: Personnel: Bullying/ Harassment	ISSUE DATE: 03/24/07	SERIES: 4604
	AMENDED DATE:	DELETION DATE:

Catholic educational institutions need to be havens where Gospel respect is paramount in the learning environment. Our schools and centers need to be places where students and employees feel safe and valued. The Diocese of Jackson, therefore, has a zero tolerance policy for harassment of any kind in its schools/centers.

Harassment includes any physical, psychological (including threats of extortion) or verbal action reflecting a lack of respect for another. Because harassment oftentimes can be construed as creating a *hostile environment* for another person or group, it cannot be tolerated in a Catholic school where respect for the human dignity of each person is a basic value.

Bullying is another form of harassment. It occurs when an individual takes advantage of another person. The bully perceives this individual as vulnerable and, by any of the actions noted above, seeks to gain control over his or her victim.

Bullying/harassment complaints or threats of extortion will be immediately investigated by the appropriate adult (i.e. classroom teacher) and referred to the administrator. Individuals making threats – seriously or in jest- either physically, verbally, in writing or on-line will be subject to immediate disciplinary action, up to and including expulsion or termination.

POLICY DESCRIPTION: Personnel: Derogatory Words or Actions	ISSUE DATE: 05/01/07	SERIES: 4605
	AMENDED DATE:	DELETION DATE:

The good name, reputation, and personal safety of each student, faculty and staff member, as well as, the good name of each Catholic school and center in the Diocese of Jackson are vitally important. In order to protect students, employees, and the institution itself, each student, employee and parent is expected to treat the good name and reputation of each of the above with dignity and respect.

Derogatory words and/or actions against any of the above by a student, a parent, or an employee will be seen as an extremely serious matter, whether this is done orally, in writing, via e-mail or the web and whether it is done on a school or home computer, or by remote access during school time or after-hours. Examples include, but are not limited to text messages, blogs, images or other types of pictures, etc.

Any individual found to be participating in any derogatory activity will be subject to disciplinary action, up to and including expulsion or termination, by the school/center.

Likewise, because of the issue of copyright infringement, any unauthorized use of the school name or logo, the school website, pictures of school buildings, activities or other students is prohibited whether done in the printed word, through technology, or by any other communication format.

The school is not charged with monitoring a student's use of the internet, emails, text messaging, or similar communications. However, if a student's inappropriate use of these communication formats is brought to the school's attention, or if the school becomes aware of communications that reveal personal information of a student, the school will take appropriate action and notify the parents/guardians of its concern.
